Supplying Quality. Building Success.

Est.1947

YOUR SUCCESS, OUR PRIORITY: STOCKHOLDING YOU CAN RELY ON

Owlett-Jaton is the UK and Ireland's leading wholesale supplier of fasteners, fixings, and associated products to the distributor and merchant trade. With over 30,000 products under one roof, customers can order multiple items, in small quantities, all from one supplier.

Operating from a purpose-built warehouse in Stone, Staffordshire, our comprehensive stock line-up is backed by large stocks and efficient operations. As standard, products are available for free next-day delivery, with low minimum order levels, across the majority of the UK mainland.

We accept orders by
email, phone or via our
website www.owlett-jaton.com

**PRODUCTS YOU CAN TRUST,
QUALITY YOU CAN DEPEND ON**

**MARKET-LEADING BRANDS
UNDER ONE ROOF**

**FREE NEXT-DAY
DELIVERY**

**UNRIVALLED
CUSTOMER SERVICE**

Market-leading **brands** under one roof

UNIFIX®

Tradesmen have been 'Fixing it with Unifix' for over 60 years. This trusted brand stands for quality and reliability and boasts over 7,000 products, from woodscrews to bolts.

VORTEX®

Vortex® high-performance multi-purpose woodscrews are recognised in the industry for their premium quality and tailored product features.

THUNDERBOLT®

Thunderbolt™ anchors are the original self-tapping anchors with the power to be used on a whole range of construction materials, including concrete, brick and stone.

JCP is a leading supplier of high-quality construction fixings. Supplying fixings to suit a variety of applications, JCP products come with full technical specifications.

JRP®

RIVETING PRODUCTS

Whilst not always a mainstream product for builders merchants, our JRP range of rivets and tooling provides a comprehensive range for those who need it and can be quoted on request.

MERCHANDISING SOLUTIONS

We can support you with a wide range of **merchandising solutions**, which include:

- Point of sale material for existing stands.
- 6 stand configurations, including shelving and peg board displays.
- Branded free-standing display units.

We have a dedicated merchandising team who can help you set up and merchandise our products to their best advantage.

We also provide support for branch-level **trade days**, where our team can help merchants engage with their customers and sell more!

Merchandising solutions designed to support your success

We work closely with you to help support with the conversion to a merchandised store.

Our Area Sales Managers have many years of experience in the field and can recommend and tailor a range of products that best suit your requirements.

Our Merchandising Representatives first assess the store area to be addressed and determine which configuration works best, ensuring that products are available and engaging at the point of sale. They will then oversee the building and positioning of the stands, along with loading them with stock. They will oversee all of the physical aspects of the project* whilst minimising disruption.

We offer an easy and efficient stock-cleansing service, to help customers seamlessly change over from other brands to ours.

Our after-sales support includes representatives making regular visits to replenish stock and ensure the display remains looking its best.

* Excluding fixing the stand down.

- ✓ Striking livery.
- ✓ Multiple configurations to suit your space And product offering.
- ✓ Professional installation with minimal disruption.
- ✓ Maximise sales with market leading brands.

For more information on our merchandising solutions, please contact your Area Sales Manager or Local Sales Office.

FINISHES GUIDE

Plain finish/self colour:	BRIGHT
For a decorative finish and additional resistance to corrosion.	GREEN PVC COATED

Offers some resistance to corrosion:

BLACK PHOSPHATE	ELECTRO BRASS	NICKEL PLATED
ZINC & YELLOW PLATED	BRIGHT ZINC PLATED	

Offers greater resistance to corrosion:

GALVANISED	SHERARDISED
------------	-------------

Offers excellent resistance to corrosion in external environments and is 1000-hour salt spray tested:

MAGSHO SILVER ORGANIC	MAGSHO GREEN 7494C
GREEN ORGANIC MAGNI 599	

MATERIALS GUIDE

Offers great resistance to corrosion in internal and external environments:

ALUMINIUM	COPPER	BRASS	STEEL
-----------	--------	-------	-------

Offers excellent resistance to corrosion in internal and external environments:

A2 STAINLESS STEEL	A4-316 STAINLESS STEEL
Perfect for marine or coastal environments

TimberDrive

HEAVY DUTY TIMBER FIXING

HARDENED STEEL WITH WEATHER RESISTANT ORGANIC COATING
SPECIFICALLY DESIGNED FOR TREATED TIMBERS

Heavy duty timber fixing for timber-to-timber and component-to-timber applications.

Specifically designed for ease of use and speed of application when used with a power tool.

FEATURES & BENEFITS

- Hexagon countersunk head with fixed serrated washer for ease of use.
- Under-head ribbing for easy self-countersinking.
- Heat treated shank for strength.
- Thread designed for ease of penetration and maximum pull-out strength.
- Gimlet point – requires no pre-drilling.
- Green organic coating – recommended for use with treated timbers.
- ACQ (Alkaline Copper Quaternary) timber resistant.
- 1000-hour salt spray tested.
- Lubricated to reduce friction.
- Hexagon bit ensures consistent drive and allows for high-torque when required.

- Typically used for securing deck boards, as well as other light to medium outdoor applications.
- Double countersunk head offers flush finish once in place.
- Increased corrosion resistance is achieved with a magsho green coating and is 1000-hour salt spray tested.
- ACQ (Alkaline Copper Quaternary) timber resistant.
